THE GOLDEN OAK

1985

*OAK
FOREST
ACADEMY*

*AMITE
LOUISIANA*

Each minute, hour, day, and year in the life of a school is soon gone, never to be recovered. All that is left of this time spent together are the many memories each of us have of it. It is the purpose of the 1985 GOLDEN OAK to record the life and spirit of Oak Forest Academy during one school year.

The pictures and words on these few pages are made meaningful by the particular memories held by each of us. Because we are all separate and distinct individuals, our memories are each unique, yet they are similar because of the many experiences we have shared together this year.

Looking back we
can recapture the
magic of a
moment past...
happy times and
sad times...
sun-light and
rain...high
spirits, and
times of pain
from failure, or
other personal
tragedy. All
those, and more;
such memories are
precious to each
of us.

In reviewing the events of this school year we think back on what we have accomplished, and where we have been. Now we must evaluate ourselves, and our lives, and look to the years ahead.

Junior-Senior Prom

Southern Nights

The 1984-85 Junior-Senior Prom was held on April 12, 1985. The decorations were exquisitely done by the junior class in the style of an old southern plantation home, which fit the theme, "Southern Nights," perfectly. The decorations consisted of the following: Upon entering the gym there was a tunnel that led to a beautiful fountain surrounded by ferns in front of a plantation home. After passing through the door of the plantation there was a room with tables and chairs where people could sit and enjoy the music. Past this room was the dance floor. The music was provided for by Keystone

The banquet began with a welcome speech by the junior class president, Jeffrey McKneely, followed by the invocation and traditional toasting of the junior and senior classes. Then flowers were presented to Mrs. Margaret McKneely, Mrs. Charl Ann McKneely, Mrs. Mary Jo Muscarello, Mrs. Joan Anderson, and Mrs. Elloise Muse for their help with the prom. Next, Rusty Stevens and Nichole Hornsby were named king and queen. The reading of the wills and prophecies followed. Grilled steak, baked potatoes, green salad, rolls, and apple pie and ice cream were served.

Personality Presentation

The 1984-85 Personality Presentation took place on May 7, 1985. It was sponsored by the Student Council, Mrs. Katherine Raborn, faculty advisor. The council decorated the gym elaborately with spring-colored balloons, streamers, and large cardboard pastel butterflies.

The nominees in each category were all introduced, and the winners were announced and presented to the audience. The highlight of the program occurred when the nominees for Mr. and Miss OFA assembled under the balloon arch in the center of the gym, and the winners were announced.

GRADUATION DAY

*We've come a long way,
Throughout these eight years,
We've shared laughter,
And we've shed a few tears*

*Coming this far,
We've a long way to go,
Our hearts are excited,
Our faces aglow*

*As we graduate
From this, the eighth grade,
You will never know,
What an important role
In our lives you have played*

*You taught us what's right
From what is wrong,
From you we learned rhymes,
And children's songs*

*You taught us to seek,
And to fulfill our dreams,
You taught us about life,
And all that it means*

*In High School we'll strive,
To do our very best,
Passing, sometimes failing,
School's very hard tests*

*We'll make it through High School,
With your friendly-parental help,
Giving us advice,
And confidence about ourselves*

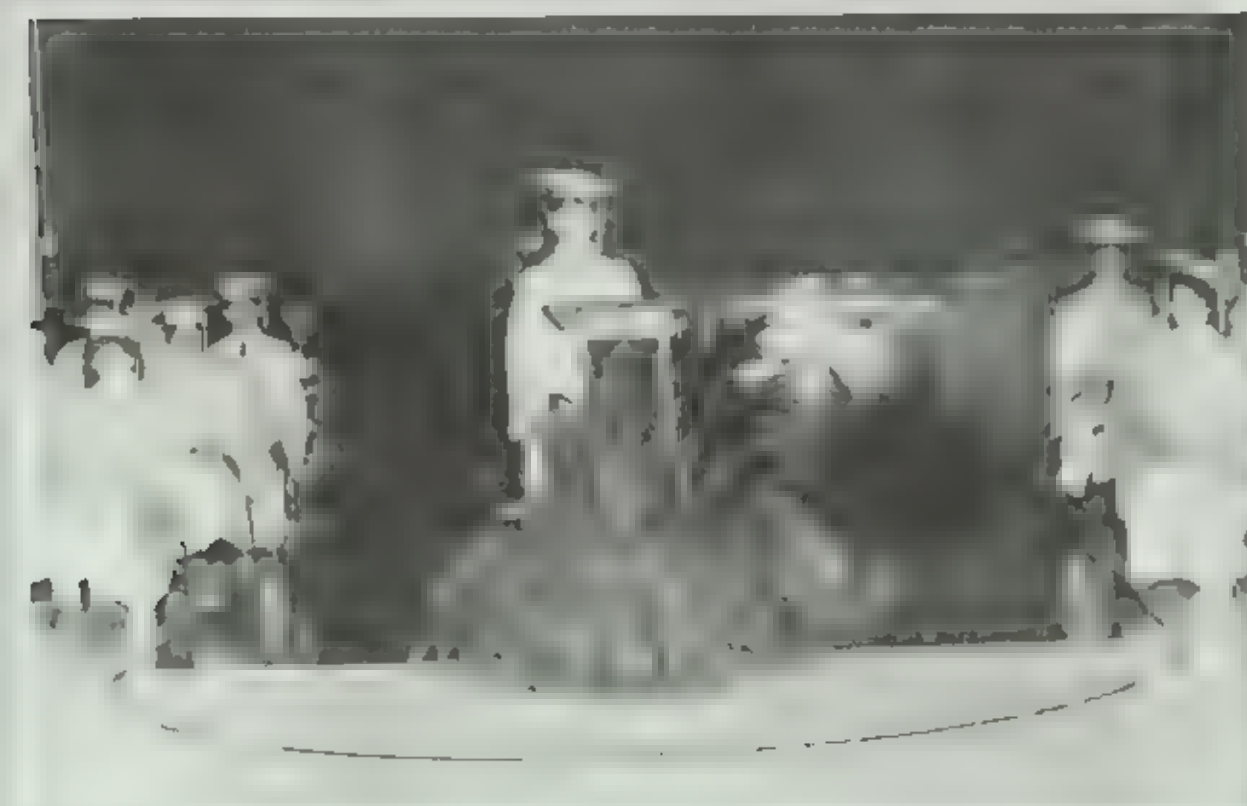

*Then on to college,
We'll pursue our careers
We could not have made it without you,
Through these long and tough school years*

*We thank you for our lives,
For your tender loving care,
We thank you for your helpfulness,
And for your being there*

*We would not trade
Our school years,
Because to us,
They're very dear*

*So as we leave the eighth grade,
We all want to say,
Thank you for coming here,
On this very special Day,*

In Memory Of Amy Rose Rabalais

*We love you,
We miss you,
We think of you each day,
We never shall forget you,
We never thought it'd be this way*

*But you were brave and strong
and didn't want us to know
We love you and we miss you,
how much you'll never know*

*We knew that you were sick,
and didn't feel very well,
Yes, this we knew,
but you would never tell
To you it was your own little
secret, and hidden very well*

*You were something special,
much admired by your peers,
and when we said our last
good-byes, only then did
we realize, how much you
meant, and it filled each
eye with tears*

*God took you from us,
but we know it's best this way
We love you,
We miss you,
In each and every way*

*In our hearts
your memory will always be
very dear
We love you,
We miss you,
This is very clear*

The 1984 Yellowjacket Football Team, under the coaching of head coach Royce Stewart, and assistant coaches Eddie Harden and Kelly Polk, put together an outstanding 7-3 season record, and a district record of 4-0. For the second year in a row, the Yellowjackets earned a place in the LISAA Class AA State Playoffs. However, as last year, the team was eliminated from the playoffs in the semifinal game

The season opened with a 16-36 loss to Parklane, a strong Mississippi team. The Jackets were victorious in the next three games, defeating Silliman 21-14, W.C.C.A., another Mississippi team, 35-19, and Riverside, 26-21. The victory over Riverside was important in many respects, especially as it was the first district win, and set up the drive toward the district title

The next two games saw the Yellowjackets fall to A.B.W. 37-22, and to Belmont 22-7, in non-district play. The Jackets won the remaining four games of the season, Southwood was defeated 34-6, False River 25-0, Parkview 21-6, and Valley Forge 23-14. The defeat of Valley Forge clinched the district title for the Yellowjackets

In the bidistrict playoff game OFA defeated Trinity Heights, of District II-AA, 14-7. However, the hopes of a state title were smashed in the semi-final game with the District III-AA champions. Central Private defeated the Jackets 42-7

Good Luck To The Class Of '85

And so another story is ended, and becomes a part of yesterday. So short, yet so long, this past year was but an microscopically small part of all time. Yet it was unique, its days were filled with activities never to be forgotten. Memories of a year at Dak Forest, indelible memories that stay with us as another school year fades into the recesses of time.
